

SF35SSET

°SF35SSET

SF35S is useful either as a ceiling fastener or a midway shelf holder. On the ceiling, the base plate allows for 3 screws, and extra holding power. Under a shelf, the screws can fasten into up to 1" thick material. SF35SSET includes a Safety cap to prevent unintentional movement (SF35S).

° Product Information

cable size

1/16" 1.5 mm

3/32" 2.5 mm

maximum weight

1/16": 65 lbs. 30 kg

3/32": 155 lbs. 70 kg

function

ceiling: wood, blocking

midway: wood, plexiglass

installation instructions

Ceiling: Predrill holes, using the metal plate as a template. If mounting into substrate other than wood, installer may need to use anchors. Installer should use their own judgment depending on weight, substrate, etc.

Insert Gripper body into steel washer, then use screws (separate) to fasten to ceiling. Insert cable until it stops.

Shelves: Drill 1/2" Ø hole in shelf at least 1" from edge of shelf, insert SF35 in from bottom. On wood shelves, SF35S can be mounted onto the top of the shelf, but this is not as strong.
